## Philanthropy Education Program

### *Program Description and Expectations*

**Program Description:** The Philanthropy Education Program (PEP) is a yearlong program for current social work students. The program focuses on educating and training students on the basics of development such as fundraising, donor cultivation, event planning, and stewardship.

#### **Expectations and Details:**

- Time commitment: estimated 15-20 hours per semester
- We will be accepting 10 students for the 2020-2021 school year. See application link on the website.
  - \$500 stipend upon successful program completion (see below)
- Program requirements includes:
  - Commit 15-20 hours each semester (fall and spring)
  - Attend (or make up) all professional development events
  - Meet with your co-leads for your PEP leadership area
  - Demonstrate ownership of your PEP leadership area (e.g., organizing, planning, executing, raising questions or needs to Development Office staff)
  - Participate in / contribute to all PEP campaigns & events as requested of you by other PEP team leads
  - Be responsive to email communication from Development Office staff and PEP peers
